INTRODUCTION & GOALS

PKLS Social Welfare Trust, a part of **PKLS Group** – a non-profit social organization dedicated to bail out the disadvantaged people in rural areas. It is part of our vision to educate, train and nurture the children of the downtrodden of the rural society to the level where they can stand on their own independently. We plan to achieve this by giving them quality education and getting them employment after their education. We are trying tie up companies in India and abroad for their suitable placement

PKLS Social Welfare Trust is located at rural part of Uttar Pradesh, India to cater for the children of mainly Northern part of India but it is open to every other parts of India and abroad too.

Our focus area of charitable work is education at all level includes non-residential school, women and child development, skill development, vocational training & women awareness program. We are mainly focusing on education, Women Empowerment, Awareness and Skill training. In future we have a plan to Setup Skill Vocational training centre, hospital & health care centre along with of paramedical courses with income generation programs. We believe in doing work for needy persons and awareness among people to build up their confidence & make them self-dependent

Our Trust - PKLS Social Welfare Trust has taken up the responsibility of supporting meritorious students from rural areas, who have no means of financial support. Especially, students pursuing Medicine, Engineering and professional degree courses are provided with financial support to pursue their academic career.

Our work done and present in Process: Support to Orphan Children, Support and guidance to Merit Students of Rural Areas, Supporting Schools in Rural Areas, and Providing Stationery to Rural Schools. We did distribute Books, Blankets and other study materials in schools of rural areas since 2018-19, we have been helping many meritorious students who get admission into Engineering, Medicine and other professional courses.

We have already invested to build up the Temples, Plantations for clean & green Environment, everything to this program. Through which we are opening school college and hospital in our rural area i.e. Patti, Pratapgarh, Uttar Pradesh, India.

• **Our other main goal is to solve big problem of UP States.**

We want to acquire 10-15 acre land and build shelter for Animals. Cows, bulls etc. Which are left by farmers on road resulting those are disturbing the farmer corps, road accidents and no one is taking care them. Farmers are facing huge loss because these free animals destroyed their agriculture farming.

We can see many road accident because of this freely roaming animals here there.

They need medical assistance, green fodder and shelter. Good care and love.
